Article: Glass fragments (MG-6Q)
 Recovered: 2 fragments
 Size: A -- Height 2 3/4"
 Diameter (of base) 2 3/4"
 B -- Height 2 1/8"
 Diameter 2 7/16"
 Markings: None
 Description: The fragments are from a dark green glass whiskey bottle. Fragment A is the base, and B is from the body of the bottle. They were probably mold blown and are of a type common during the Civil War period.
 Condition: Good

Article: Keg, 10 gallon (MG-5M)
 Recovered: 1
 Size: Height 19 3/4"
 Diameter 14
 Markings: None
 Description: This wooden keg originally held either powder or foodstuffs, which have now deteriorated. One-third of one side is gone. The wooden hoops are not original but were added to hold the keg together.
 Condition: Fair to good
